Next actions for top Google visibility

1. Add exact office street address on website + Google Business Profile.

2. Deploy live → Search Console → submit <https://nextravelholidays.com/sitemap.xml>

3. Verify website URL on Google Business Profile (Travel Agency / Tour Operator).

4. Collect Google reviews mentioning city names (Ahmedabad, Surat, Vadodara...).

5. Optional: add TouristTrip / Product schema on package pages.
